## SOLO EMAIL#1

Subject Lines: <name> are you ready to fall in love?

Subject Lines: The Secrets to Getting Engaged at any age

Subject Lines: How to meet and marry your soul mate

Subject Line: It's time <name>

**Hi [NAME]. I just read a statistic that estimated that there are about 7 BILLION people living on earth right now. 7 billion people, and yet so many of us struggle to find just one.**

If you are ready to stop feeling hopeless and finally meet the person you are destined to spend your life with, you do not want to miss this event.

This isn't another Love Summit. We aren't going to tell you how to just attract a man. (We can learn that by picking up the latest issue of Cosmo!) This is about *finding and keeping your ideal* man and finally having the committed relationship that you've dreamed of.

Here's the truth: You've probably read a LOT of articles on how to fall in love. The truth is that most of those are useless. Most of them don't take into account the most important ingredient of a love connection—YOU!

My colleague Jaki Sabourin has put together an amazing panel of experts for the *Engaged at Any Age* virtual event.

If you want to learn how to attract your soul mate, get off of the dating roller coaster and finally fall madly (mutually!) in love, be sure to register for this event.

It all starts April 13th  
(insert link)

Jaki herself attracted her ideal man and was engaged within 8 months. More and more women are finding their soulmates in the SECOND half of lives. It's never too late!

You are going to learn the most effective strategies for attracting love from top experts in Relationship Coaching, wellness, mind mastery and

even wealth and abundance. Because you see you cannot just fix one thing and expect everything else to catch up. All of these things—self love, confidence, mind mastery, abundance mindset, health and energy—are ingredients to the love recipe.

That's why I'm excited to be on this panel and why I love Jaki Sabourin! Her work and her message are multi-dimensional, tackling love at every level so that you, as an individual become the fertile ground from which lasting, soulmate love can grow.

It all starts with you! **You don't have to WAIT for a partner. You can CREATE the space for him to walk right into your life. YOU can attract him right to your door.** Register here.
